June is here, the menth of roses and weddings for the rose and the time belong alike to levers and the ectebration of nuptial yows. The napitial sital is decked with pure while roses, when as are used allow to fashion the bridal bouquet. Rose annals have a charming story of hew all roses were originally different and swams their perfumed peaks. They loved the dev and the roft breezes, but they loved best of all the sun, and when the day was done and the sun was apong sleeply down in the west, the roses cried out, with soft, entreating voices: "O, stay with us! Bo not leave us, we cannot bear to see you vanish row by the britished with sweet fashes of light, that kiesed the lips of the white roses until their leaves blushed red.

It has been well and truly said that there is no other flower so completely voven, into the history of the human race as the rose. It is welling of the rose even to mind the roll with the rose while the rose is a factor in human history, so has it been given speech eighleant in recorded dower language. The mink rose whispers: "Come to me at evening," and frame lower me, you will find it tout." The moss rose murruner: It stand contessed." The long-thorned carolinian blossom eries: "Dangerous is love." The clustered white rose breathes: "Happy love." The caliantine, rose of sorrow, bending to the wind and dronging its leaves the lower of the rose should be the universal heart flower, for it is one of the few blossoms that, like true love itself, preserves its fragrance boyond its mortal life, and nover howeve corruption. When the explicant present of the flower so well had been given to some publicalorists, from "See carried with them seeds of the flowers which had brisk brined their civil. Thus the most of a rose, by means of a rose. "My love; I speak in flowers," sings the lead lover, and the rose, through centuries, has been the first the rose should be the universal heart moved for its essential beauty and the rose, through centuries, has been the first the rose of the flowers which h

MISS KATE TAYLOR SMOOT,

The social meetings are very popular

The social meetings are very popular these summer afternoons. The large, alry rooms profusely decorated with flowers, generally sent by suburban members, the assurance of a cordial welcone from agreeable hostesses, and the prospect of a pleasant chat with many triends attract a goodly number of members during the afternoon.

## June Sale of Correct New Apparel for the Hot Weather.

If further evidence were needed that this is a store for exclusive styles, it can be found in the fact that right now, while many stores are reducing their heavily over-bought stocks, we are daily receiving the latest models in the new, rare shades, and selling them at prices which are less in comparison. Our customers appreciate the distinctive, out-of-the-ordinary apparel, and this class of merchandise is not made up in big lots, but is produced for us from day to day as it is desired. No better values to be found in LINGERIE DRESSES, LINEN SUITS, JUMPER DRESSES, SILK DRESSES AND JUMPERS.
